THE MOSSLEY WORD

Issue # 4
October 2009

Serving the Mossley football community

FREE

After a somewhat disappointing start to the season Mossley began flying midway through September with a run of four straight wins.

A last minute victory over Radcliffe Borough in the League Cup was followed by a 3-0 success at Harrogate and a 2-0 win over Trafford in the League and October began in the same rich vein of form with a 5-2 win over Southern League club Bedworth United in the FA Trophy, earning the club a cool £2,000 from the national competition's prize fund in the bargain.

October promises to be an exciting month of games a run of exciting cup ties sandwiched between the League campaign. So come and join us at Seel Park for what looks like unfolding a great season. You will be made most welcome.

MOSSLEY JUNIORS

Mossley Juniors is a dedicated team of volunteers who run various aged football groups in and for the Mossley Community. The age groups covered range from under 7's up to late teens (including girls). The club is always striving to do better and help the youngsters of today be better people, tomorrow.

Our teams take part in three different leagues. Some reside in the Tameside league, others reside in the East Manchester Junior Football League and the girls team reside in the Oldham and Rochdale league.

From 2008, Mossley Juniors are proud to announce an affiliation with Mossley AFC. This is going to enable both clubs to work together, raise funds and more importantly, give the children the possibility to play football for a local club at a semi-professional level and from there on, who knows?

For any further information or contact numbers, please visit the Mossley Juniors website.
